

Give paper a second chance!

Please reuse paper printed on only one side. Add it to the tray blank side up.

Second chance paper can be used for drafts and internal documents.

Giving discarded paper a second chance helps conserve resources and protects our environment.

Thank you!

Staff Version

Give paper a second chance!

**If you have unwanted paper printed on one side,
please add it to the tray blank side up so it can be used again.**

Giving discarded paper a second chance helps conserve resources and protects our environment.

Please do not add confidential, sensitive or personal documents to the stack.

Thank you!
